

Montana State University Undergraduate Physics Scholarships

Application for Fall/Spring Semester

Each year several scholarships are available to Montana State University students who major in Physics. They provide a stipend up to \$1000 per semester for two semesters, and may be competitively renewed for up to three additional years (four years total). This application is for all MSU Physics Departmental scholarships.

Eligibility: Scholarships are awarded on the basis of academic achievement and promise. Recipients must major in Physics, and during the tenure of the scholarship, maintain a minimum 3.00 GPA overall, and a 3.50 GPA in their Physics courses.

Complete this form and submit current transcript (high school or MSU, as appropriate) and two letters of reference (one from a physics teacher, if possible, and one from another science or mathematics teacher) to the address below.
